HAPPY CHINESE NEW YEAR

2024

YEAR OF THE DRAGON

Powerful, endlessly energetic and full of vitality, those born in the Year of the Dragon are exciting people to be around! These noble, natural leaders strive to make the world a better place. They show great confidence and independence while working toward their long-term goals, but deep down they yearn for love and support. Once they find that special someone, Dragons will guard them like a rare jewel. Though their fearlessness can sometimes lead them to be tactless and quick-tempered, they make up for this with an abundance of kindness and honesty. The charismatic Dragons are the movers and shakers of this world, and we are lucky to know them!

GUN HEI FAT CHOI

Like the mythical Dragon itself, 2024 will be a lively and powerful year of growth, success and prosperity for all! Enjoy the happiness and abundance that the year brings, but like the Dragon, don't lose sight of your long-term goals, and remember to plan for your uncertain future even while celebrating the prosperous present. We at American Acupuncture Council help you achieve lasting success well into the future with the best in malpractice protection, plus a range of tools to help you build your practice. May 2024 inspire you with the Dragon's wisdom, confidence and power as you continue to advance the acupuncture profession.
